

How to download PDA Patient Log

David Geffen School of Medicine at UCLA

First time using PDA Patient Log

1. As a first time user, you will see the screen below when you click on the “UCLA PDA Patient Log” channel on your PDA.

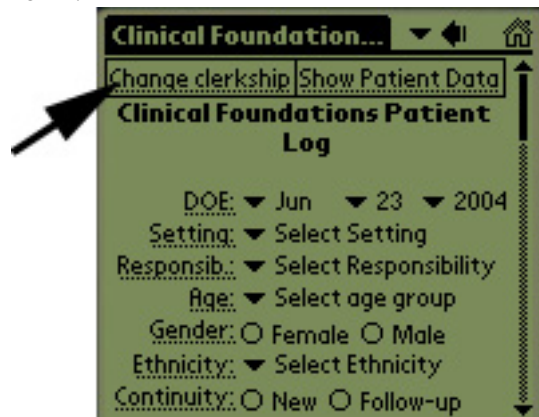

2. Select Clerkship and clinic of your rotation.
3. Press “Save”
4. Sync your PDA. You must **SYNC** in order to get the PDA Patient Log form.

Changing to new Clerkship Log

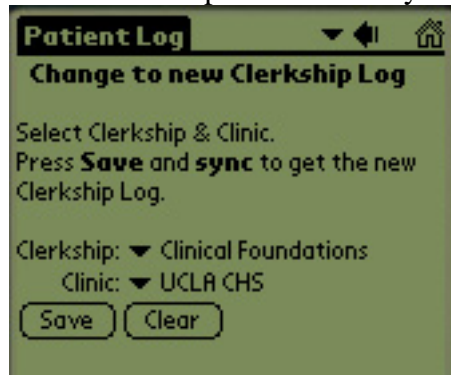

You **MUST** change the Clerkship Log at the beginning of every new clerkship rotation. Since this is not the first time you are using the PDA Patient Log, you will have an existing PDA Patient Log form from a previous clerkship on your PDA.

To Change to a new Clerkship Log:

1. Click on “Change Clerkship” link on the top left of your PDA Patient Log form.

2. Select Clerkship and Clinic of your NEW rotation.

3. Press "Save".
4. Sync your PDA. You must **SYNC** in order to get the PDA Patient Log form.
