Workshop Offerings

September 26, 2008

Lecturing for Learning

Joyce Fried

Assistant Dean, Office of Continuing Medical Education

This workshop will assist you in planning content, improving delivery and creating effective educational presentations.

October 10, 2008

Teaching Clinical Reasoning at the Bedside

LuAnn Wilkerson, EdD

Senior Associate Dean of Medical Education

This workshop will help you to organize your teaching at the bedside, which includes planning for the encounter, involving the patient in the discussion, and balancing participation by all team members.

October 24, 2008

Strategies for Teaching Cultural Competence

Art Gomez, MD

Professor of Clinical Medicine

This workshop will help you plan targeted instruction and experiences designed to expose students to a patient-centered approach in caring for diverse and medically underserved populations.

November 14, 2008

Facilitating a Small Group Discussion

Tatum Korin, EdD

Director of Faculty Development

This workshop will address basic concepts of facilitating small group discussions and will incorporate a step-wise model for organizing this pedagogical approach to teaching.

December 12, 2008

Clinical Teaching when Time is Limited

LuAnn Wilkerson, EdD

Senior Associate Dean of Medical Education

This workshop will focus on the skills needed to efficiently teach and maintain quality patient care under strict time constraints.

January 16, 2009

Writing Exams that Test for Understanding

Sebastian Uijtdehaage, PhD

Director of Evaluation and Research

This workshop will provide guidance in constructing and improving clinical vignettes and knowledge tests with validity and reliability.

January 30 2009

Presenting Educational Research at Conferences

Paul Wimmers, PhD

Assistant Director of Research

This workshop will provide guidance on submitting successful proposals and developing scientific posters and presentations to maximize the impact of your research findings at conferences.

February 13, 2009

Teaching with PowerPoint and Flash Animation

Tatum Korin, EdD

Director of Faculty Development

This workshop will help you to create PowerPoint slides with Flash Animation for visually stimulating lectures and presentations that amplify educational content.

RSVP:

If you would like to participate in a workshop, please provide the following information and fax this form to: 310-794-7465 (attention: Michelle)

You may also email your information to tkorin@mednet.ucla.edu.

Name: _____

Department: _____

Email address: _____

Workshop date(s): _____

You will receive confirmation of your reservation via email. Seating is limited, so please reserve your spot as soon as possible.

All workshops are held from 1-3 PM

Please check the DGSOM Weekly Digest for further details.
