Date of Encounter:

Responsibility:
- Low: Observed
- Moderate: Participated
- Full: Performed
- Didactics

Setting:
- ER
- Inpatient Ward
- Outpatient Clinic
- Newborn Nursery
- NICU
- PICU
- Delivery Room

Age:
- Newborn < 1 mos
- 1-6 months
- 7-11 months
- 1-5
- 6-11
- 12-20

Gender: Female or Male

Ethnicity:
- African-American
- Asian
- Caucasian
- Latino
- Mixed
- Native American
- Unspecified

Continuity: New to me or Seen by me before

Complaints (multiple selections allowed):
- Abdominal pain
- Behavioral problem
- Cough
- Cyanosis
- Diarrhea
- Fever
- Headache
- Jaundice
- Pain
- Rash
- Respiratory distress
- Runny nose
- Sore throat
- Substance abuse
- Trauma
- Vomiting
- Weight loss
- Other Complaint
Diagnosis (multiple selections allowed):
- Acute abdominal pain
- ALTE
- Altered mental status including seizure
- Anemia
- Asthma
- Behavioral concerns
- Congenital heart disease
- Dehydration
- Developmental Delay
- Failure to thrive
- Fever without source
- Gastroenteritis
- Genetic Syndrome
- Lower Respiratory Tract Disease (pneumonia, bronchiolitis)
- Neonatal Illnesses (resp distress, lethargy)
- Neonatal Jaundice
- Otitis Media
- Rash
- Urinary Tract Infection
- Well Child Care
- Other Dx

Procedures:
- CPR
- IV
- NG tube
- Non-invasive airway management
- Skin test
- Suturing
- Venous blood draw
- Other procedure

Clinical Skills (multiple selections allowed):
- Performed history
- Performed physical
- Developed Differential Diagnosis
- Developed plan
- Wrote a note
- Wrote orders
- Checked guidelines/evidence
- Addressed sex/gender issues
- Addressed preventive issues
- Performed patient education Explained ddx/plan to patient
- Presented case
- Addressed imaging
- Read literature Read about patient problem

Supervised by
- Faculty
- Resident
- None

HPx Observation:
- Observed history
- Observed physical exam
- Not observed HPx
Received feedback on (multiple selections allowed):
   - Hx
   - Px
   - Ddx
   - Write up
   - Case presentation
   - Other
   - None

Usefulness of feedback: Useful-3, Somewhat useful-2, Not at all useful-1

My Notes:
