The Office of Continuing Medical Education,
David Geffen School of Medicine at UCLA

IN COLLABORATION WITH
The Society for Cardiac Angiography and Interventions

UCLA WINTER UPDATE:
Clinical Breakthroughs in Cardiology

February 24–27, 2005
Snowbird Ski Resort and Conference Center
Snowbird, Utah
The purpose of this meeting is to have an informal gathering where clinical cardiologists, internists, surgeons, and family practitioners can learn about the newest developments in basic science and clinical research that affect the everyday practice of cardiology. The format will entail morning and afternoon lectures as well as informal evening gatherings to discuss unusual cases with the faculty. Although you do not have to ski to participate in this meeting, a number of the faculty members are avid skiers and the participants and faculty will get to know each other on the slopes as well. In addition to the formal lectures, the participants are encouraged to bring angiograms or histories of unusual cases to discuss with the faculty.

**OBJECTIVES**

At the conclusion of this meeting, participants should be better able to understand the newest treatments in:

- Interventional cardiology
- Electrophysiology
- Treatment of heart failure
Thursday, February 24, 2005

● EVENING
5:00 Registration
6:00 Reception

Friday, February 25, 2005

● MORNING
7:00 Registration
Continental Breakfast/Exhibits
7:30 Paradoxical Embolism,
Closure of ASD/PFOs,
and Migraine Headache
Jonathan M. Tobis, MD
8:00 Update in Less Invasive
Cardiac Surgery
Alexander Marmureanu, MD
8:30 Emerging Therapies for CHF:
Implications for Stem Cell
Transplantation
W. Robb MacLellan, MD
9:00 Adjourn until 4:00 pm

● AFTERNOON
4:00 Current Treatment of
Congestive Heart Failure
Jignesh K. Patel, MD, PhD
4:40 Chemokines: The Signals for
Inflammation and Growth in
CAD, Fibrosis, and Neoplasia
John A. Belperio, MD
5:20 Tips and Tricks During
Echocardiographic
Assessment of
Cardiac Disease
John S. Child, MD
6:00 Adjourn

Saturday, February 26, 2005

● MORNING
7:30 The Electrophysiology of
Sudden Death
James N. Weiss, MD
8:00 The Pathology of
Sudden Death
Michael C. Fishbein, MD
8:30 Vascular Surgery
for the Cardiologist
Ian Gordon, MD, PhD
9:00 Adjourn until 4:00 pm

● AFTERNOON
4:00 Current Recommendations for
Treating Stable and Unstable
Coronary Artery Disease
Jesse W. Currier, MD
4:40 Cardiac Imaging: Magnetic
Resonance and Fast CT
J. Paul Finn, MD
5:20 Current Management of
Atrial Fibrillation and
Ventricular Tachycardia
Noel G. Boyle, MD
6:00 Adjourn

Sunday, February 27, 2005

● MORNING
7:30 Percutaneous Treatment of
Mitral Stenosis and Mitral
Regurgitation
Jonathan M. Tobis, MD
8:00 Mechanical Assist Devices
and the Artificial Heart
Fardad Esmailian, MD
8:30 ICDs and Biventricular Pacing
Noel G. Boyle, MD
9:00 Adjourn
Enrollment Fee
$250—includes continental breakfast daily, afternoon refreshments, reception, and syllabus

Accreditation
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this continuing medical education activity for a maximum of **8.5 Category 1 credits** toward the Physician’s Recognition Award of the American Medical Association. Each physician should claim only those credits that he/she actually spent in the educational activity.

Disclosure Statement
The FDA has issued a concept paper which classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. We, at UCLA, fully endorse the letter and spirit of the concept.

In compliance with this policy, the program audience will have disclosed to them any potential conflict(s) of interest related to the content of presentations made by all faculty participating in sponsored or jointly-sponsored programs by the David Geffen School of Medicine at UCLA.

Meeting Location
Snowbird Conference Center at Cliff Lodge
Highway 210
Snowbird, Utah
801.933.2222

Snowbird is 29 miles (40 minutes) from Salt Lake City International Airport. Snowbird has an average of more than 500 inches a year of dry, light Utah powder. You can enjoy runs for all levels with 9 lifts, 50 trails, and many bowls including Mineral Basin. Snowbird’s Aerial Tram rises to 11,000 feet in six minutes, igniting a sense of liberation matched only by the trip down the mountain. The ski-out/ ski-in feature of the Cliff Lodge & Conference Center provides instant access to great skiing.

For non-skiers, a variety of other enjoyable winter activities are available. Enjoy snow shoeing, ice skating, luging, or tubing. Guests can relax at Cliff Spa, which offers massage, private steam bath, whirlpools and a rooftop year-round heated pool.

Accommodations
A block of standard rooms has been reserved at the Cliff Lodge at $249 per night. These special conference rates for single/double occupancy plus 10.1% state sales tax are for conference participants only. A two-night deposit per room is required at the time the reservation is made. Confirmation of reservations at the conference rate received after January 15, 2005 is subject to availability.

For reservations call Snowbird’s Central Reservations Office at 800.453.3000 or email cres@snowbird.com. Make sure to mention the UCLA Cardiology conference when calling in your reservation.

Emergency Calls
You may be reached during the conference at 801.933.2222.

Transportation to Hotel from Salt Lake City Airport
Shuttle service is available through Canyon Transportation for $50 per person round trip. Shuttle service can be arranged when booking your accommodations.

Refunds
Cancellations must be received in writing by January 15, 2005 and will be subject to a $75 processing fee for this course. No refunds will be given after January 15, 2005. A full refund will be provided if for any reason the course must be cancelled, discontinued, or rescheduled.

Enrollment
- **By Mail**
  Use the form attached. For additional applications, use photocopy or separate sheet giving all information requested on form.
- **By Phone**
  Use your MasterCard, VISA, or Discover Card. Call 310.794.2620.
- **By FAX**
  Send the completed enrollment form with charge card information and authorizing signature. FAX 310.794.2624.

Please visit our website for other UCLA CME offerings: www.cme.ucla.edu

E-MAIL ADDRESS: eayala@mednet.ucla.edu

ENROLLMENT IS LIMITED. EARLY ENROLLMENT IS ADVISED.

For additional information, contact the Office of Continuing Medical Education David Geffen School of Medicine at UCLA Cardiology Program 10920 Wilshire Blvd., Suite 1060 Los Angeles, CA 90024-6512 310.794.2620.
