11th Annual Conference
Current Topics and Controversies in Perinatal and Neonatal Medicine

Friday, Saturday & Sunday
March 4-6, 2005
Coronado Island Marriott Resort
Coronado, California
About the Program

This is the eleventh annual conference presented by the California Association of Neonatologists (CAN) and the AAP District IX Section on Perinatal Pediatrics. The meeting will include an optional workshop to help participants utilize CPQCC resources to improve perinatal outcomes. The conference and combined meeting will be dedicated to a scientific and practice-oriented discussion of current topics and controversies in perinatal and neonatal medicine.

The optional California Perinatal Quality Care Collaborative (CPQCC) workshop is geared to a team of caregivers from a perinatal unit (neonatologists, obstetricians, nurses, infection control nurses, nutritionists, lactation consultants, respiratory therapists) who can effect change in the topics presented.

The optional Friday afternoon Neonatal CPT Coding Update Seminar is for neonotologists and neonatal billing personnel. A new workshop, “Life After Fellowship: Exploring Career Opportunities and Practical Considerations for New Neonatologists” will be offered on Friday. Participation is by invitation.

The Saturday and Sunday education program is directed to neonatologists and will provide an update on topics pertinent to current practice.

At the conclusion of the program participants should be able to:
- Recognize the evidence basis of current neonatal practices
- Describe current coding practices
- Review the present status of CPQCC and PQIP projects

8:30 am - 3:00 pm
California Perinatal Quality Care Collaborative (CPQCC): Successful Strategies for Implementing Perinatal-Neonatal Practice Improvements

This workshop seeks to enhance obstetrical, neonatal and pediatric practices and communication in two key areas: nutrition of the preterm infant and prevention of severe hyperbilirubinemia. Hospital teams will learn successful strategies for analyzing and managing performance and communication challenges. Topics to be addressed: a) Parenteral and enteral nutritional practices for the VLBW infant; and b) In-hospital and post-discharge strategies to prevent severe hyperbilirubinemia.

Team (obstetric and neonatal physicians, nurses and others), rather than individual neonatologist attendance is encouraged. Attendees will be invited to complete pre-meeting exercises. Enrollment is limited.

(REGISTRATION FEE $100 per person – 6.5 CATEGORY I CREDITS)

8:30 am - 4:30 pm Fellows Workshop

The Section on Perinatal Pediatrics District IX and the California Association of Neonatologists are pleased to sponsor the first annual California neonatology fellows workshop “Life after Fellowship: Exploring Career Opportunities and Practical Considerations for New Neonatologists” on March 4th from 8:00 am to 4:30 pm. This seminar will be conducted by Dr. John Hartline from the AAP Committee on Practice Management and a distinguished supporting faculty. Enrollment is by invitation.

Accreditation

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this continuing medical education activity for a maximum of 12 Category 1 credit(s) toward the Physician’s Recognition Award of the American Medical Association. Each physician should claim only those credits that he/she actually spent in the educational activity.

Disclosure

The FDA has issued a concept paper that classifies the commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is truly independent and free of commercial influence. Along with independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the continuing medical education staff and faculty be fully disclosed to the program's participants. We at UCLA fully endorse the letter and spirit of this concept. In compliance with this policy, we will disclose to the program audience any potential conflict(s) of interest related to the presentations made by faculty participating in sponsored or jointly sponsored programs by the David Geffen School of Medicine at UCLA.

Refunds

A service charge of $50.00 is withheld from all refunds (full refund if course is cancelled, discontinued, or rescheduled). Refund requests must be postmarked by February 16, 2005. No refunds are granted after the program begins unless specific exception is made. The Office of Continuing Medical Education reserves the right to cancel the class, in which case full refund is granted.
