Accreditation Statement

CME Sponsor
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

Accreditation and Approval
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, designates this educational activity for up to 7 Category 1 credits towards the AMA Physician’s Recognition Award.

Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Continuing education credit from the Commission on Dietetic Registration has been applied for.

Disclosure
The FDA has issued a concept paper that classifies the commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is truly independent and free of commercial influence. Along with independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the continuing medical education staff and faculty be fully disclosed to the program’s participants. We at UCLA fully endorse the letter and spirit of this concept. In compliance with this policy, we will disclose to the program audience any potential conflict(s) of interest related to the presentations made by faculty participating in sponsored or jointly sponsored programs by the David Geffen School of Medicine at UCLA.

Fee

$50 Physicians

$35 Dietitians/Nurses

General Information

Location
Hotel Casa Del Mar
1910 Ocean Way
Santa Monica, CA 90405
(310) 581-5533

A limited number of rooms have been reserved at the group rate of $305 (rate based upon availability), plus tax. Contact hotel directly.

Hotel Parking
Daytime parking at Hotel Casa Del Mar is $10.

Refunds
Due to the low enrollment fee no refunds will be granted. A full refund will be granted if the course is canceled or rescheduled.

Information
Contact Office of Continuing Medical Education at (310) 794-2620.

Enrollment
Enrollment is limited. Early enrollment is strongly suggested.

By Mail
Use the form attached. For additional applications, use a photocopy or separate sheet giving all information requested on the form.

By Phone
Use your MasterCard, Visa or Discover. Call 310-794-2620.

By Fax
Send completed enrollment form with charge card information and your authorizing signature to the Office of Continuing Medical Education at (310) 794-2624.

In accordance with applicable Federal laws and University policy, the University of California does not discriminate in any of its policies, procedures, or practices on the basis of race, color, national origin, sex, sexual orientation, age, or disability. Inquiries regarding the University's equal opportunity policies may be directed to Campus Counsel, 3149 Murphy Hall, UCLA, or the Director of the Office for Civil Rights, Department of Education. For information on services for students with disabilities, or questions about accessibility, please call (310) 825-1501 (voice or TDD).
Course Description

The purpose of this one-day CME activity is to review current areas of controversy regarding bone disease and mineral metabolism in patients with chronic kidney disease. New scientific developments in this rapidly evolving field will be presented, and their relevance to clinical management will be discussed. Key topics that will be covered include the pathogenesis of secondary hyperparathyroidism in chronic kidney disease, vitamin D nutrition, osteoporosis in patients undergoing dialysis, the impact of acidosis on bone and mineral metabolism, and arterial calcification as a component of cardiovascular disease in patients with chronic kidney disease.

Objectives

1. Describe the role of disturbances in calcium and vitamin D metabolism in the pathogenesis of secondary hyperparathyroidism in chronic kidney disease, stages 2 through 5
2. Understand the importance of vitamin D nutrition in patients with chronic kidney disease
3. Recognize the impact of metabolic acidosis on bone and mineral metabolism
4. State the difference between osteoporosis and renal osteodystrophy
5. Understand the role of calcimimetic drugs in conjunction with vitamin D in the treatment of secondary hyperparathyroidism.
Morning

8:00  Registration / Continental Breakfast

8:30  Revisiting Mineral Metabolism in Chronic Kidney Disease (CKD Stage 2-5)
      *What’s Really Going on Here?*
      Isidro B. Salusky, MD

9:15  Renal Bone Disease and Managing Osteoporosis
      *Who’s on First?*
      Susan M. Ott, MD

10:00 Break

10:30 Arterial Calcification in Patients Treated with Dialysis
      *It’s There and We Can Measure It: What Does It Mean?*
      Matthew Budoff, MD

11:15 Adynamic Renal Osteodystrophy
      *Innocent Bystander or Ominous Development?*
      William G. Goodman, MD

12:00 Lunch

Afternoon

1:30 Acidosis and Bone Metabolism
      *Why Should We Look and What Should We Do?*
      David A. Bushinsky, MD

2:15 Vitamin D Nutrition in Chronic Kidney Disease
      *Is There a Problem?*
      Anthony A. Portale, MD

3:00 Break

3:30 Calcimimetics
      *What Do They Do and Where Do They Fit?*
      Geoffrey A. Block, MD

4:15 Open Discussion

5:00-6:00 Adjourn/Reception
